

Charisma™ Nuts & Bolts

Charisma™ SEG Fabric Frames
 Luxurious appearance, affordable cost.
 The perfect display panel

**Charisma™ Fabric Frames
 Nuts & Bolts**

The Silicone strip (green) gets stitched to the graphic's perimeter and inserted into the frame channel for a drum tight fit. To ensure strength and stability, the wall thicknesses of our frame profiles are substantial and exceed typical standards. Our unique quick connect brackets make assembly fast and easy.

Mounting options include Wall, Ceiling or Floor- Free Standing

FRAMES CAN BE MADE TO ANY SIZE
