

# Heavy Duty Sidewalk Decal

Aluminum Based Floor Decals for use on Concrete, Asphalt, Pavement, and Tile.

## Heavy Duty Sidewalk Decal Features:

- Outdoor & Indoor Use.
- Incredibly easy install.
- Textured surface for non-slip safety.
- Forms to uneven surfaces like brick or cinder block.
- Lasts 6 months to 1 year under average foot traffic.
- Leaves no glue residue.
- Easily removed and can be recycled.
- Single panels up to 48" wide.
- Larger graphics are printed in tiles.

## Easy to Install and Remove, Is Recyclable

Innovative textured surface for safety. Applies to most hard and uneven surfaces like concrete, asphalt, sidewalks, pavement, brick, cinder block and tile on clean, dry surface.

## We Do Pantone Color Matching!

We prefer VECTOR files – Adobe Illustrator Ai, EPS or Corel Draw.  
All File Must Be Submitted in CMYK.  
Pantone Colors Must Be Indicated for Color Matching.  
All files must have fonts converted to outlines.  
For an additional fee Printed Samples for color proofing can be provided.
